Travelogue Talk in United Church by Mr de Wanby

An address which was quite different in its scope of interest, from that which Strathmoreites usually hear was given Friday night last by Mr de Wanby in United Church, Pastor Gilbert filling the duty of chairman.

Mr de Wanby has travelled very extensively and during his address took his audience from Montenegro to India, to Tibet, to China, to Bolivia in South America thence back to Tibet.

Mr de Wanby was studying in Benares, India when he became seized with the desire to visit Tibet, hazardous as the journey there would necessarily be.

Despite the extreme two fold danger of travel through the mountainous passes and meeting hostile tribes and contrary to advice given by the Governor Sir Reginald Darnley, Mr de Wanby resolved to attempt the journey to Tibet, accompanied by 2 Monks he set forth.

He described in detail the many dangers. He visited the three monasteries established in the Himalayan mountains.

There are two trade routes to Tibet, one passing through the Chompa Valley, which the speaker described as the most beautiful scenic valley in the world. The pass is located on either side by Rhododendron trees, about 100 feet high and bearing flowers as large as cabbages and in all the most exquisite pastel shades. In the mountains blackberry bushes produce very large berries, and the thorns are thick and sharp so that any animal getting into the bushes never can get out again. He spoke of the danger from constantly falling rock which they speak of as mountain bombardment. Fruits and vegetables grow in abundance and he said the natives eat ten leaves mixed with butter. They drink the milk of the Yak, while goats milk is made into cheese and butter. A cloth like felt is made from the goats hair.

The lecturer told of the trade routes to and from China and his journey overland to China, where he visited the City of the Dead.

He described the Block house where he spent a week virtually a prisoner. English being spoken by only one other and that one a Chinaman.

This house is at Dendhing wa. It is 17 stories high (compared with some of New York's skyscrapers) and is not startling. It is one quarter of a mile long and the entire roof is covered with leaf of gold. The walls are 13 ft thick and the water used is carried up by themons. He digressed for a moment to describe the contrast of the Albatross and the white Condor of which latter he said only two had been brought to civilization.

The speaker touched on the mystery of the "Talking Mountain" or the Mountain of Divine Mystery. He told of the most remote Monastery, Tachia Llama, in which are most rigidly guarded the jars that contain the supreme truth given by The Messiah to the twelve disciples.

A second lecture is expected to be given in the near future.

LANGDON

Mr and Mrs J. Bates, Mr and Mrs G. Whitney and Mr and Mrs E. Westwood are rejoicing over the arrival of baby boys born Sept. 25th, October 14th and Oct. 17th. Congratulations.

Mr E. Anderson of Hubbard, Oregon is a visitor at the E. McE home since Oct. 18th.

Honoring Miss Ada Dye, a November bride, a delightful china shower was held in the W. I. rooms on Thursday, October 17th. 50 ladies enjoyed the games and contests. A beautiful decorated wedding cake and the most tasty refreshments were served after the shower.

After an illness of several months, Mr S. W. Wilson died on October 7th. Funeral services were held on Saturday afternoon at three o'clock at the Bible Institute, Calgary, Rev. N. Burnett, officiating. Mrs. Wilson and six children, Howard, Raymond, John, Mrs. A. L. Smart, Mrs. W. Hill and Mrs. George Winters, survive and the deepest sympathy of the community is extended to them.

Mr Ellis Turner of Fernside, Alberta was a week end guest at the V. E. Dye home.

CHRISTIAN SCIENCE

At all Christian Science Churches next Sunday, the subject of the Lesson-Sermon will be "Everlasting Punishment." The following is one of the Scriptural quotations contained in the Lesson-Sermon: "When Jesus had lifted up himself, and saw none but the woman, he said unto her, Woman, where are those, thine accusers? hath no man condemned thee? She said, No, Lord. And Jesus said unto her, Neither do I condemn thee; go, and sin no more." (John 8:10, 11). One of the correlative passages from Science and Health with Key to the Scriptures, by Mary Baker Eddy, is as follows, page 11: "Jesus' prayer, 'Forgive us our debts, specified also the terms of forgiveness. When forgiving the adulterous woman he said, Go, and sin no more.'"

I AM THE PRINTING PRESS

I am the printing press, born of the mother earth. My heart is of steel, my limbs are of iron, and my fingers are of brass.

I sing the songs of the world, the oratorios of history, the symphonies of all time.

I am the voice of today, the herald of tomorrow. I weave into the warp of the past the woof of the future. I tell the stories of peace and war alike.

I make the human heart beat with passion or tenderness, I stir the pulse of nations, and make brave men do braver deeds, and soldiers die.

I inspire the midnight toiler, weary at his loom, to lift his head again and gaze with fearlessness into the vast beyond, seeking the consolation of a hope eternal.

When I speak, a myriad people listen to my voice, the Saxon, the Latin, the Celt, the Hun, the Slav, the Hindu, all comprehend me.

I am the tireless champion of the news. I cry your joys and sorrows every hour. I fill the dullard's mind with thoughts uplifting. I am light, knowledge, power. I epitomize the conquests of mind over matter.

I am the record of all things mankind has achieved. My offspring comes to you in the candle's glow, and the dim lamps of poverty, the splendor of riches, at sunrise, at high noon, and in the waning evening.

I am the laughter and tears of the world, and I shall never die until all things return to the immutable dust.

I am the printing press.

COMING EVENTS

November 6th. The Annual Supper and Tombola of Sacred Heart Church will be held in the Memorial Hall, at Strathmore. The usual dinner will be served at 6 p.m., followed by a social evening. Everybody welcome.

The Nightingale Women's Institute will hold its Tombola Dance and Supper in the Nightingale Hall, at 8 p.m. November 8th. First prize, a Gold record, a 5 lb box of Mrs. Mercer's candy, also several other good prizes. Tickets 25c. Everybody welcome and a most time assured.

The pupils of Miss Florence Garrett, A.T.C.M., L.R.S.M., will be presented in Recital Wednesday, November 13th, in the Memorial Hall at 8:15 sharp. Admission 25c.

NIGHTINGALE

The Masquerade dance at the hall last Friday was one of the best attended and merriest on record. A great many came in costume. Some were of lovely materials and were really beautiful. The home made ones showed originality and skill, one could not attempt a description of all of these. Mrs. Hilton, Sr. of Nightingale, Mrs. Ross of Bainbridge, Don Murray from Irticoma, and T. S. Hughes of Strathmore kindly acted as judges. During the supper intermission the prizes were awarded as follows. Mrs. G. Thurston the best dressed lady (Queen Elizabeth), C. Thurston, best dressed gent (Sir Walter Raleigh). The most home made gent prize went to Dewey Grant who represented Uncle Sam. The best home made ladies prize went to Audrey Thurston, who represented the Breeze. The comic prizes went to

Sarah, Eddie McLean, and Jake, Melvin Wise. This very loving pair contributed greatly to the fun during the dance. The music was never better and the dance went on with real pep to the very end. The Girls Club certainly appreciate the splendid attendance and wish especially to thank all who came masked, the judges and the friends who helped serve the supper. They wish to acknowledge prizes donated by Western Dept. Store, Strathmore, Strathmore Hardware, Birk's of Calgary and the host store Mercantile Co. represented by J. Coups.

Miss Edna Kimmitt was taken suddenly ill and last Thursday was operated for appendicitis in a Calgary hospital. Latest report she is getting along nicely.

Mr Richard Marsh, is the guest at the Cullen Ranch. Norman and Herbert Ellis were guests there last Sunday.

Mrs Hare and children of Calgary were week end guests at the Thurston home. Miss Audrey Thurston came down and returned with them.

Jack Stoodley and Newall Bros. were Calgary shoppers last Friday.

The Women's Institute is busy getting ready for their big night November 8 and be sure to be there.

Kathleen Harriman returned to Calgary on Monday.

Local News Items

The Ladies Aid will meet Thursday, November 7th at Mrs. N. White's home.

A very interesting meeting of the Dramatic Club was held Wednesday evening of last week. A Debate, Resolved that censorship of Movies be abolished was an interesting feature. The affirmative was supported by Misses Louisa Bower and Margaret Freeman, while Gerry Van Dusen and Phyllis Bower argued in favor of the negative. The leaders caught the negative side brought out more points and in a more forcible manner and they were voted the victors. Mr Crowther gave the third in a series of very interesting papers on the origin and early development of the drama. A clever demonstration of make up was given by Miss Gordon assisted by Gladys Resenden. There was a large attendance of members present.

Miss Alice May spent the week end at Rockyford. Threshing is practically completed in this district, the oats yielding pretty well but the wheat is not so good. Miss Peter and the Misses M. and N. Taylor and Mr G. Taylor were guests Thanksgiving day of the May family. The recent blizzard caused a rapid decline in school attendance, also a fall in the grading activities on the river road. Miss Edith Dawson of Armadale was a week end visitor of Miss D. May.

The hockey fans are feeling quite cheery over the cold weather and with the road carefully graded they hope to attend 99 per cent of the games this year. Mrs McKibbin, Hazel and Peggy were Calgary visitors over the week end. Norman Layercraft spent the holiday week end at home. Mr and Mrs Harry Hesp left for Ontario after a visit of over two weeks in the neighborhood.

Miss May - Winter was been visiting her mother at Stettler. Monday 28th she attended her sister's wedding at Loughheed, Alberta.

REMEMBRANCE DAY

Remembrance Day will be observed in Strathmore by a joint service in the Memorial Hall at 3 p.m.

Rev. T. B. Winter, Chaplain of No. 10 B.E.S.L. will be in charge of the service and Rev. V. M. Gilbert will deliver the sermon. Music will be furnished by the combined choirs.

OUR EXPLANATIONS AND APOLOGIES TO OUR READERS

We were not "unduly celebrating", neither were we trying to "fill up" space and so get out earlier, neither were we publishing an edition for the "Old People's Home." The truth is we had neglected ordering a new lot of 8 pt. mats until past the 11th hour. Hence our difficulty and chagrin. We expect the new ones here in time for next week when the Standard will appear in usual type.

Mr Ted McConnell who was taken ill so suddenly on Wednesday, that it was necessary to rush him to a Calgary hospital by plane, on account of the badly drifted roads, is now resting as comfortably as possible, and strong hopes are entertained for his recovery. The appendix had burst, before Dr. Ifen was able to arrive, after making a hard battle with blocked roads.

ROCKYFORD

Mrs Ed. McLean spent Tuesday in the city.

On Friday evening the Girl Guides and the Brownies entertained their mothers at a banquet. The tables were tastefully arranged by the Guides themselves. The older Guides made excellent waitresses, making sure that all mothers and other guests were well looked after. Patrol leader Helen Bensted opened the program by giving the toast to "Our Mothers" which was replied to by Mrs A. L. Williams.

Betty Kimmitt recited My Face, which was followed by the Guides and Brownies singing My Mom. A pianoforte duet was given by Bernice Walrod and Edna Gablehouse.

Patrol leader Ruth Rudd gave a splendid talk on the Fourth Guide Law.

Many Refinements in Ford V-8 Cars for 1936

FORD V-8 CARS for 1936 feature a completely new exterior treatment with new hood and fender styling, new grille and headlamps, new wheels and many detail refinements. Interiors are new with the style and color of instrument panel and mouldings to harmonize with upholstery, trim and appointments. Quiet helical gears are now used in all forward speeds and reverse. Steering effort is estimated to be reduced more than 25 per cent. ABOVE—The Tudor touring sedan, with commodious bulletin trunk. Note the new wheels with 12½-inch hub caps and the longer body lines. INSET—The redesigned front end, streamlining steps ahead. Fenders have a sweeping inward flare and hoods are now carried behind grilles in the fenders. Hood louvers are newly styled.

tion, was well given by Kathleen Bush.

The next two numbers, a song and a drill were given by the troop of Brownies which delighted the audience.

An action song by five of the younger girls, the quintuplets, was very well done.

A recitation by Geneva Dahn, If I were you and you were me.

Doris Williams gave a recitation, My Atom.

Five of the older girls gave a tap dance which was so cleverly done that they were requested to repeat the number.

The final number was a fancy march and drill put on by the entire company of Guides.

Mrs Knud, president of the Guide and Brownie Committee on behalf of the Committee expressed her thanks and appreciation to the Captain Mrs Walrod and the Brown Owl Mrs Barker for such a successful evening, and hoped that in the future more of these get-together nights for mothers and daughters be given.

Mrs E. C. Ross went into Calgary on Thursday evening to spend a few days with her daughter Mrs Sullivan and grand-daughter Pucky.

Mrs A Osterwicht took advantage of the railway excursion and spent two days in the city visiting her parents.

On Sunday evening the Harvest Thanksgiving Service was held in the church. The Church looked very nice with its harvest decorations. Next Sunday being the anniversary services, Rev Mr Wilkinson of Gleichen will be the speaker at both services.

Mrs E Roberts spent the week end with her daughter Anne and son Ion in Calgary.

The Ladies Aid met on Thursday afternoon at the home of Mrs S Roppel. It was decided by the members to have an added attraction at the Bazaar this year by having a baby contest. The baby contest is in the hands of Mesdames E. McLean, Gibson and Stone. The date for the bazaar was set for December 3rd. The next Ladies Aid will be the

THE NEW FORD V-8 FOR 1936

Why do we say The New Ford V-8 for 1936?

What is new about it?

Of course, the newest engine in the low-price car field is still the V-8 engine. Since Ford made it available to all car users (keeping it as economical as cars with fewer cylinders) the Ford V-8 has been the newest engine on the market, and remains the newest for 1936.

You may buy a car on minor "talking points"—some specially advertised feature "with the car thrown in"—but, after all, it is the engine you buy when you buy a car. Hence we put the engine first.

Other new points about the car make a long list.

Its lines are much more beautiful. The hood is longer and sweeps forward over the distinctive new radiator grille, giving the car a length and grace that are instantly impressive. The fenders are larger, with a wide flare. Horns are concealed behind circular grilles beneath the headlamps. New steel wheels.

Ford upholstery—always of sterling quality and excellent taste—is rich and enduring. The appointments of the car have a new touch of refinement. There

is no question about the increased beauty of the Ford V-8 for 1936.

In more practical matters, many improvements have been made—Steering is made easier by a new steering gear ratio. The cooling system circulates 4½ gallons of water through a new, larger radiator. Natural thermosiphon action is assisted by two centrifugal water pumps. New style hood louvers permit a rapid air-flow around the engine.

Easier, quieter shifting of Ford gears—The gear shift lever now travels a shorter distance.

The two qualities you want in brakes—Brakes that stop the car with ease and certainty. Ford Super-Safety Brakes of the long-tested, fool-proof, mechanical design.

Safety—as always—in the electrically welded genuine steel body. Safety Glass, all around at no extra cost. Hundreds have written grateful letters because this glass has protected the safety of their families.

A car you can drive without strain all day, if you like, in city or country. Steady, holds the road, responds to the

driver's touch like a well-trained horse. You don't have to "push" or "fight" the Ford V-8—driver and car easily get on terms of good understanding with each other.

An engine has much to do with the roominess of a car. Very much indeed! A long engine uses up car space. The compact V-8 engine permits much of the ordinary engine space to be used by passengers.

It really is a great car in every way, this 1936 Ford V-8—the finest, safest, most dependable Ford car ever built. Get complete details at your nearest Ford dealer.
